From PHS Administration

Parents and Guardians,

It is hard to believe that the first semester is over half-way complete. Although it's been an atypical first and second quarter, we have much to celebrate. We were able to successfully participate in Fall athletics. Our music teachers found ways to present virtual concerts, and our thespians have spent the last few months rehearsing for our first-ever live-streamed theater production.

Our motto at Poudre is "I am who I am because of who we are." An amazing display of this concept of Ubuntu happens each year in early December at Poudre's "Feed Our Families" food drive. Last year, Poudre students, staff, parents and community members collected 75,375 pounds of food which was shared with Poudre families and the Poudre community. This food is distributed to more than 1200 families from Poudre as well as our feeder schools. Along with the families associated with our community we put together "Pay it Forward" boxes. Our families are asked to assist a family outside the school community with an additional box of food we provide them. Poudre High School considers this food drive a "Hand up, not a hand out." If you are interested in receiving food, or know someone in our school community that would benefit from our Feed Our Families food drive, please fill out this link: tinyurl.com/FOFPHS

From PHS Administration, continued...

Over 250 teachers, students and community members come together to assist with distribution. On the day of distribution emotions run high. It's a joyous time to assist the people directly at our school who are in a time of need. Our distribution day provides the enthusiasm and fun of a combination of the Fish Market in Seattle and Gunther Toody's restaurants in Colorado.

This year Distribution Day occurs from 8:00am-12:00pm, Saturday, December 5th in Poudre's Pride Hall. There are a few ways you can get involved. Students can sign up for a canning shift to collect donations at grocery stores using this link: tinyurl.com/PHSFOF2020 The sign-up includes important information about how to go canning as well as updated safety measures we are using this year. Another way you can stay involved is being mindful when you shop. If possible, please buy a little bit more and donate it to the PHS students collecting items outside local grocery stores. Cash donations are also welcome and will be used to purchase fresh food for our families. As always, we are grateful to be a part of this Poudre family.

"I am who I am because of who we are. We are Poudre"

ACE Mentor Program

architecture • construction • engineering
engage excite enlighten

www.acementor.org

HOW ACE WORKS

- Meet Thursdays from 7:00 - 8:30am (Jan. - April) at the Futures Lab
- All PSD schools and students welcome
- Work with a student team to design and create a local project
- Compete at state competitions and earn scholarships
- Mentorship from professionals at local companies
- Explore design and learn how builders and designers think and work
- Counts as an Internship - students can earn school credit!

Application Deadline:
November 18th

Check your Xello email for the application link

Please email Wendy Tomaschow, Work-based Learning Coordinator with any questions
