## From PHS Administration

Welcome PHS families to the 2021-2022 School Year,

As we begin the 2021-2022 school year, we want to first acknowledge the unprecedented time and challenges you and your families may have faced over the past year and a half. Truly, we are thankful and excited to be starting a new school year, in-person, with all of our students.

The most important thing for you to know as you plan and consider the upcoming school year, is that we are excited to resume teaching, learning, and working with our students. And, we are committed to ensuring the safety and health of our students, staff, and families. We will be following the guidance for K-12 schools as outlined by the Colorado Department of Public Health and Environment, and we will adjust our practices as needed. The current PSD health and safety protocols will be outlined in this newsletter.

Now, more than ever, we are reminded that as a school community, "I am who I am because of who we are." Thank you for your patience and flexibility as we work together to support a safe return to the academic school year.

Sincerely,  
Poudre High School Administration

## **Poudre Protocols for Safety**

In order for us to keep one another safe, we will have some safety guidelines we must follow. This is the ultimate Ubuntu--I am who I am because of who we are. We are Poudre!

Health guidelines are continually changing, so we will do our best to communicate our practices as soon as we are informed by the Superintendent. Currently, the protocols below are being enforced:

- PSD is strongly encouraging but not requiring staff or students to get COVID-19 vaccines. Those who are fully vaccinated (14 days from their last dose) will not be quarantined if exposed.
- PSD is a mask-friendly district. Masks are highly recommended and supported for people who are unvaccinated, following Colorado’s current public health order. PSD supports those who choose to wear masks. Depending on outbreaks or other high-risk activities, masks may be required indoors.
- Masks are required for all individuals on buses under federal order.
- We will continue hand washing and frequent cleaning.
- Individuals are encouraged to remain at least 3 feet away from non-household contacts when possible.
- Continue to self-monitor; anyone experiencing symptoms should stay home. PSD will follow CDPHE’s updated Return to Learn guidance.
- When outbreaks occur, PSD will work with LCDHE to determine the appropriate response. This could include masks indoors, additional distancing, testing, contact tracing and quarantining.
- PHS staff will make use of outdoor spaces and ventilation, such as opening windows, if possible, and use of box fans.

### **Carrying School Supplies:**

- We will not be assigning lockers to all students. However, if a student opts to have a locker, we will assign the student one during Fall Check-in.
- If a student needs a backpack, we have some available in the counseling office, along with other school supplies.

### **Off periods:**

If a student has an off-period, they have a few options for where they can go during the period:

1. They may leave campus
2. They may go to the Media Center
3. They may go to the Commons

### **End of Day Dismissal:**

Students are encouraged to leave campus immediately, unless they have a scheduled appointment with a staff member or are participating in athletics.

## 2021-2022 Schedule

Parents and students,

We are excited to announce our school has adopted a hybrid-block schedule, meaning some classes will meet daily and other classes will meet every other day. This schedule was created after piloting the full block schedule last year and getting feedback from staff, students and parents. This hybrid-block is incredibly flexible in that we are able to embrace the benefits of a 4x4 block, which include fewer classes for students to juggle, fewer transitions within the day, smaller student caseloads for teachers, and more frequent opportunities for credit recovery and/or acceleration. In the hybrid, we will also have some classes that meet every other day over a longer period of time--either the full semester or year. These classes will be noted as (A/B) on a student's schedule. This A/B schedule meets the needs of classes that have end-of-year external assessments or need more time for reading, writing or research.

The schedule looks like:

Mon-Tues-Thurs-Fri				
Period	Minutes	Start Time	End Time	Passing Minutes
1	90	8:55 AM	10:25 AM	7
2	90	10:32 AM	12:02 PM	5
Lunch	46	12:07 PM	12:53 PM	
3	90	12:53 PM	2:23 PM	7
4	90	2:30 PM	4:00 PM	

Wednesday				
Period	Minutes	Start Time	End Time	Passing Minutes
1	80	9:40 AM	11:00 AM	7
2	80	11:07 AM	12:27 PM	5
Lunch	41	12:32 PM	1:13 PM	
3	80	1:13 PM	2:33 PM	7
4	80	2:40 PM	4:00 PM	

### Late Start and Collaboration:

Please note that on Wednesdays students will have a later start time. This allows our staff to engage in collaboration and intervention work with colleagues. Buses will still arrive at the usual time, students will be allowed to use the Media Center and get breakfast in our cafeteria.

Also note that students have a 46 minute lunch on M/T/R/F and a 41 minute lunch on Wednesdays.

## Fall Check-In

### Do Prior to Check-In:

1. Review your class schedules.  
<https://pvue.psdschools.org/>
2. Some classes use consumable materials to create engaging lessons and provide relevant learning experiences for students. Please reference your class schedule to determine if your course has a required fee using the **PHS Class Fees 2021** (attached)

## Student Drivers

### ATTENTION STUDENT DRIVERS,

All students and staff parking at Poudre High School are required to display a valid parking permit while on campus. Please fill out and submit an online parking permit application **prior to fall check-in**. An email will be sent to the address listed on the parking permit application and will confirm the student's application submission. Students who have submitted a parking permit application need to bring with them to check-in their **valid driver's license, vehicle registration, and proof of insurance card** specific to their vehicle/s. These items must be reviewed before a permit will be issued. Students who have completed the above-mentioned requirements will be able to pick up their permit during check-in.

Information related to parking on campus as well as the online parking permit application can be found at <https://phs.pdschools.org/our-school/policies/parking-rules-permits>. Students will need to use their **school login information** to access the online parking permit application form. If you have any questions, please contact Campus Security at [phsparking@psdschools.org](mailto:phsparking@psdschools.org) or 970-488-6113.

### You can take advantage of our Text Messaging Service

Our school utilizes the SchoolMessenger system to deliver text messages, straight to your mobile phone with important information about events, school closings, safety alerts and more.

You can participate in this free service\* just by sending a text message of “Y” or “Yes” to our school’s short code number, **67587**.

You can also opt out of these messages at any time by simply replying to one of our messages with “**Stop**”.

SchoolMessenger is compliant with the Student Privacy Pledge™, so you can rest assured that your information is safe and will never be given or sold to anyone.

**Opt-In from

**Just send  
“Y” or “Yes”

**i** Information on SMS text messaging and Short Codes:

SMS stands for Short Message Service and is commonly referred to as a “text message”. Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as “short code” texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers. If you’ve ever sent a text vote for a TV show to a number like 46999, you have used short code texting.

## Agricultural Department

The Poudre Agricultural Department is excited for this upcoming year! The Ag pathway has a full slate of classes ranging from Introduction to Agriculture, Vet Science, Animal Management, Greenhouse Management, Urban Farming, Landscape, and Floriculture Design. Ms. Crooks and Mrs. Nelson have worked hard to make these classes very hands-on and career focused. These classes are going to reach a wide group of students and help prepare them for careers in agriculture. The FFA had a wonderful year last year, but the membership is excited to have more in person events and competitions. A full tentative schedule for this upcoming year as well as information about Ag Classes, SAEs, and the FFA can be found on the Ag Department website.

## Poudre Band Camp 2021

For all 9-12 students signed up for any band or percussion class OR interested in band or percussion classes!

Band Camp will run from Monday, August 2 through Friday, August 6. We'll go from 2:00 to 6:00 pm each day (if you have conflicts with vacations, sports, etc... no problem, just email Mr. Petersen at [cpeterse@psdschools.org](mailto:cpeterse@psdschools.org) and give a heads up)

We'll start to prepare some music for the upcoming year, you'll have daily instruction from local professional musicians, and get to know all the rest of the Poudre Band family! We're excited to have the band back together! It's a great time to hang out and get your chops back in shape!

We're tentatively planning on meeting in the Band Room (201) each day, BUT if construction doesn't allow, we'll meet in the outdoor amphitheater (on the northwest corner of the building). And split up around the building for sectional rehearsals, etc...

If you can get your hands on a lyre and flip folder for your instrument, that would be stellar! You should also purchase an extra 6 pages for your flip folder (local retailers Boomer Music and Music and Arts will have these in stock, or you can order them online)... if you can't get them before camp, no worries!

Please send any questions to Mr. P at [cpeterse@psdschools.org](mailto:cpeterse@psdschools.org)

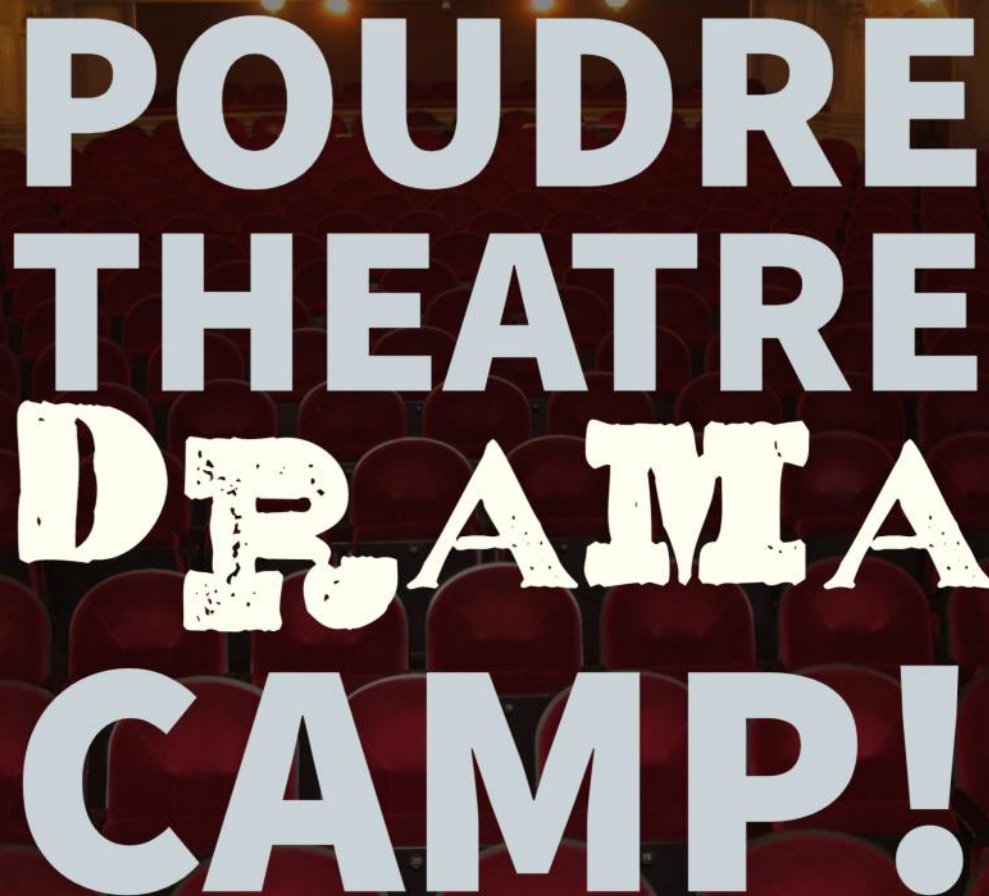

See you soon!

Mr. Petersen and Mr. Leonard
