Happy Holidays

From PHS Administration

Parents and Guardians,

Poudre High School students and staff are highly involved in the spirit of giving and service to the community in which we live. Under the guidance of the PHS Student Council, Poudre High School students and teachers are holding our 14th annual Feed Our Families food drive to assist over 1000 Poudre School District students and their families with two weeks' worth of food. Distribution day for our Feed Our Families will be Saturday, December 4th from 8:30-11:30am. As our students say, "This is a hand-up and not a hand-out."

If you would like to help with Feed our Families, we are in need of the following items, we will have bins placed in front of the school for drop off.

- Toothpaste
- Flour
- Jelly
- Soap
- Sugar
- Bagged Beans

We also provide fresh food for families, which includes items such as milk, cheese, meat, fruits and vegetables. If you would like to make a monetary contribution to help purchase these foods, please click on the following link: tinyurl.com/DonatePHSFoF

The Poudre High School Preview Night will take place on December 1st at 5:30pm for all current 8th grade students and their parents. This is a time to learn about the courses offered at PHS and extracurricular activities. The night will start off with a presentation hosted by PHS administration followed by break-out sessions from departments, activities and athletics.

Schedule of events for 8th grade Preview Night:

- 5:30pm: Overview of Poudre High School by Principal Mackay and Poudre High School staff
- 6:00-7:30pm: Breakout sessions for the following:
Concurrent Enrollment
International Baccalaureate Program
Pathways in Technology Early College High School (PTECH)

Poudre High School embraces the culture of “Ubuntu”- I am who I am because of who we are. This fall our incredible community modeled this philosophy for our students in many ways. We would like to thank you for the care and support you continue to show Poudre High School.

Sincerely, PHS Administration

STRANASKA

INNOVATION IN ANALYTICAL METROLOGY

www.StranaskaPrep.com

Stranaska® Prep Academy

We are recruiting a limited number of high school science students to participate in a free trial course during the pilot stage of our educational mentoring program that will open doors to rewarding career possibilities previously unknown to them. The unique Academy experience will enhance the quality of science student resumes with an eye-catching bullet point that will impress prospective employers in an untapped \$40B analytical science instrumentation industry.

Kaleidoscope Calls for Submissions!

All PHS students are encouraged to submit their creative work to *Kaleidoscope*, the nationally recognized PHS literary-art magazine.

Each student may submit up to five pieces in EACH of the following categories: Poetry, Prose, 2-D Art, 3-D Art, Photography, and Original Songs.

To submit, click on "Students" on the PHS homepage, and then on the "Submit to *Kaleidoscope*" link under "Resources." Then follow the instructions. Deadline to submit is March 2nd!

PSD Expectations for Remote Learning in all Schools

The district’s focus is to have all students participate in in-person learning at schools as much as possible. However, some students may miss being in school because of illness, quarantine, an emergency or other circumstances. PSD wants to ensure students can continue learning remotely when they can't be at school regardless of the reason for the absence. Teachers and staff will do their best to support students who are learning online.

More information is available on the [PSD Remote Learning web page](#). There you will find expectations, information about Teacher Learning pages, and additional technology resources. Please let us know if you have specific questions about how this looks at our school.

Expectativas del PSD con respecto al aprendizaje a distancia en todas las escuelas

El enfoque del Distrito Escolar Poudre (PSD, por sus siglas en inglés) se centra en que todos los estudiantes participen en el aprendizaje en persona en las escuelas, tanto como sea posible. Sin embargo, algunos estudiantes pueden no asistir a la escuela debido a una enfermedad, cuarentena, una emergencia u otras circunstancias. El PSD quiere asegurarse que los estudiantes puedan seguir aprendiendo a distancia cuando haya situaciones que les impida estar en la escuela, independientemente del motivo de la ausencia. Los maestros y el personal harán todo lo posible para apoyar a los estudiantes que están aprendiendo en línea.

Pueden obtener más información en la página web del [Aprendizaje a distancia \(Remote Learning\)](#) del PSD. Allí encontrarán expectativas, información sobre las páginas de aprendizaje de el/la maestro(a) y recursos informativos adicionales referentes a la tecnología. Si tienen alguna pregunta con respecto a este tema en nuestra escuela, comuníquense con nosotros.
