From PHS Administration

Poudre Parents,

We are nearing the finish line! Our students should be incredibly proud of themselves for the persistence that they've shown throughout this year. You deserve a round of applause as well. Parenting teens is no small feat!

As we close out the 2022-2023 school year, we are honored to celebrate our students' accomplishments. We'll be hosting a number of events throughout the month from end of year music concerts to a junior/senior prom, a lunch to celebrate scholarship recipients and an Athletic Banquet to honor our athletes. The week of May 15th we'll host our formal convocations and graduation. The Poudre High School website will have the most current and updated information. We encourage students to finish strong and keep hope for the future! Always proud to be a Poudre impala.

With gratitude,

PHS Administration

2023-2024 Registration

Are You Moving? Registration is underway for the 2023-2024 school year. Your students have selected their courses for next school year and we are in the middle of building our master schedule. If you know you will not be returning to Poudre High School next school year, please notify our Registrars, Elizabeth Ogg (eogg@psdschools.org or 970-488-6076) or Maria Ellis (mellis@psdschools.org or 970-488-6067) by June 1.

Student Check Out for May

At the close of each school year, students and staff complete a check out process. This process ensures that all the school materials that have been checked out for the school year are returned. The following is a list of items that students need to complete in order to finish the checkout process. Please check in with your student and confirm that they still have the original items that were checked out to them in August. If that's not the case, then please have them check in with a staff member from that department listed below.

Seniors: To receive your cap and gown, you must complete the checkout process. On May 16th or 17th seniors will hand in their completed checkout sheet to receive their cap & gown for the graduation ceremony.

- Laptop
- Laptop charger *please note that it must be the <u>same</u> charger that was checked out to them in August.
- Textbooks
- Locker
- Library materials

At 8:30 a.m. a staff member in your marching group will take roll and check for appropriate attire. Attendance will again be taken at 8:50 a.m. Graduates not accounted for after this time may have their diplomas pulled from the marching list. Students arriving after roll is taken may NOT be allowed to participate in the commencement ceremony! It is SO important to arrive on time ©

SEATING ASSIGNMENTS - The seating assignments for graduation practice and the graduation ceremony are the same. These assignments will be posted in the hallway across from the Counseling Office. DRESS FOR GRADUATION: There can be no alterations, additions, or changes to your cap, gown, or tassel. Any changes or additions must be removed or fixed prior to walking, so please leave them in their original form. All graduation gowns will be blue. Ladies should wear a dress with no collar, or a skirt or dress pants with a collarless top and dress shoes. Gentlemen need not wear a jacket, but they should wear a shirt, a tie, dress slacks and dress shoes. Dress boots are appropriate, if they are polished. No flowers, ornaments, or any other decorations are to be worn with caps & gowns. Faculty will check your manner of dress, your caps, and your gowns before you march. *This dress code is required!* There will be no place to change or leave any garments at C.S.U. on Saturday.

PHOTOGRAPHS - There will be press and yearbook photographers on the floor during graduation. We are not allowing any parents, friends, or relatives to photograph on the gym floor during commencement! Because we have had difficulties with friends and relatives of graduates interrupting the flow of graduates going to and from the stage, as well as disconnecting wires of

the sound systems, a professional photographer will take a picture of you receiving your diploma. A proof that you may keep for no charge, will be sent to you via email or mail. Flyers with contact information for the photographers will be handed out with the cap and gown.

COLLEGE APPLICATIONS - All students who have processed a college application must indicate, on the Senior Exit Survey, to which post-secondary institution they want their final transcript submitted.

VALEDICTORIANS and SALUTATORIAN – The final valedictorian and salutatorian recipients are determined at the end of fourth quarter. Final exams for seniors will be May 12th & 16th with final grades due to counseling on May 19th. The official valedictorian and salutatorian list may not be decided on until May 19th.

METAL DETECTORS AT MOBY AREA: This year CSU is requiring metal detectors (magnetometers) at all entrances for rehearsal and the ceremony. The process will be very similar to airport screening. Attendees will be asked to remove cell phones, keys, cameras, and any other large metal objects from their pockets before walking through the metal detectors. If the device alarms, the guest will be re-screened with a hand-held wand, with further security follow-up if needed. Please refer to CSU's clear bag policy for additional information. Concealed weapons permits are not allowed. An off-duty officer with identification can come in. Their location will be tracked.
