

# FRCC College Now Application Guide

- Go to [www.frontrange.edu](http://www.frontrange.edu), scroll down to select red **"Apply Now"** and green **"Apply Now"**. **Create Account.**
- Name = your legal name
- Email address = use a personal email, not your high school email
- What semester do you plan to begin classes = **Fall** (begins in August), **Spring** (begins in January), current year
- Create password (at least 6 characters) and password question
- Click on: **Start an Application, Start a New Undergraduate App**, Complete Selected App (check date)
- Review the information you entered and correct anything if needed; add your home address

Here are some important tips to complete the application:

- ✓ Click on **'My Account'** to see if your student S number is listed in your profile. If not, sign out and back in. It can take up to 48 hours and will be emailed to you. Contact College Now if you do not see it in 48 hrs.
- ✓ Record S number on concurrent enrollment form and retain number for future use.
