### MESSAGE FROM PHS ADMINISTRATION

Poudre families,

We are nearing the end of the third quarter, and we encourage students to finish strong! The quarter officially ends on March 13th. Spring Break is the following week. Students do not have school on Friday, March 13<sup>th</sup>, this is a district professional learning day for staff. Fourth quarter classes begin March 23<sup>rd</sup>. Counselors have been working hard at getting students registered for next school year and the registration process was completed by the end of February. If you have questions about your student's schedule for next year, please reach out to their counselor.

Congratulations to our freshman class! We had a 93% on-track rate for our freshman from first semester! Our students and teachers are amazing, and their effort is definitely paying off!

Thank you for staying connected with us and supporting your student's education!

Sincerely,

PHS Administration
