- Medical exemptions only need to be submitted one time.
- If a nonmedical exemption is selected, it must be submitted after July 1 of the current year for students K-12.
- Submit the Certificate of nonmedical exemption WITH a signature from an immunizing provider in Colorado
- OR submit the Certificate of nonmedical exemption received upon the completion of CDPHE's Online Immunization Education Module.
- Options for submitting medical and non-medical exemptions can be found here:

- Exemptions must be either printed out and brought to the school or downloaded and emailed to the school nurse. The send to school feature on the CDPHE website does not send us the correct documentation.

Students that do not have compliant immunizations or exemption on file will not return to school after 11/01/2026 until the school receives the correct documentation.

If you have any questions, please feel free to reach out the PHS Health Office 970-488-6050 or the school nurse Anna Krell, RN akrell@psdschools.org

Health Office Reminders

We want to remind parents and guardians that any medication—whether it is self-carried by a student or kept in the Health Office—requires new forms for the 2026–2027 school year.

We cannot accept or administer medications, and students are not allowed to carry medications, without the proper forms. Medication and Health Care Action Plan (HCAP) forms can be picked up in the Health Office or found on the PSD website. HCAP and Medication Forms: <https://www.psdschools.org/programs-services/health-services/medications-and-health-care-action-plans> All medication forms must be signed and dated after July 1, 2026. As another reminder, Health Care Action Plans expire one year after the medical provider's signature. Once an HCAP has expired, a new form will be required.

Flu and COVID Season Reminder

Soon, we will enter the flu and COVID season. Colorado state guidelines require students to stay home if they are experiencing fever, vomiting, or diarrhea. Students may not return to school until they have been fever, vomiting, and diarrhea free for 24 hours without the use of medication before returning to school. Please review the "How Sick Is Too Sick?" document below for additional information and guidance. <https://drive.google.com/file/d/1RcdCmU4SYXwmVhJrA3Pyk0gP0MTDCIkF/view>

Continued...

WINTER SPORTS, continued...

- Total viewing time is approximately **15–20 minutes**.
- Students registering for multiple sports only need to complete these videos **once per school year**.
- If registering multiple children, **each student** must complete the videos individually.

Step 2: Pay the Athletic Fee

Athletic participation fees are **\$220 per sport**. (\$330 for non-PSD students) Payment can be made by:

- Using the School Pay link within the **A Better Way** registration system

SRO CORNER

Dear Poudre School District Families,

This month the School Resource Officer team would like to speak to you about the safety of e-bike/e-motor transportation. There have been severe incidents involving students and children in our community. We believe parent awareness around the safety and laws regarding these modes of transportation is the first step in insuring our children are safe.

Here is a graphic of what is and is not allowed when it comes to electronic modes of transportation:

WHAT DOES IT NEED?		VEHICLE LANE	BIKE LANE	SIDE WALK	WHAT IS IT?
PEDALS	BICYCLE	✓	✓	✓	HUMAN POWERED ONLY
	CLASS 1 E BIKE	✓	✓	✓	PEDAL ASSIST ONLY, MAX SPEED 20 MPH
	CLASS 2 E BIKE	✓	✓	✓	THROTTLE ASSISTED, MAX SPEED 20 MPH
<18 HELMET	CLASS 3 E BIKE	✓	✓	YES, BUT ONLY WITHOUT USING THE MOTOR	PEDAL ASSIST ONLY, MAX SPEED OF 28 MPH
	E SCOOTER	✓	✓	✓	STANDING ONLY
	HUMAN POWERED	✗	✗	✓	ROLLER SKATES
	TOY	✗	✗	✓	SKATEBOARD, TOY VEHICLE
	SINGLE WHEEL DEVICE	✗	✗	✗	ELECTRIC UNICYCLE, BALANCE BASED
<18 HELMET	LOW POWERED SCOOTER	✓	✓	✗	VIN, NO MORE THAN 3 WHEELS, <4476 WATTS OR <50CC
	ELECTRIC MOTOR CYCLE	✓	✗	✗	VIN, THROTTLE ONLY >4476 WATTS

We would like to note, any device classified as a low-powered scooter requires a driver's license and insurance, and any device classified as an electric motorcycle requires a motorcycle license and insurance. In addition, any device in the class 3 e-bike category requires the rider to be over 16 on a roadway.

There are several questions when it comes to these modes of transportation. The best advice we have is to research and ask questions BEFORE purchasing one for your children.

Have a great month!
