

Poudre High School 8th Grade “Governor’s Tour”

<  Governor Jared Polis 47 mins · 🌐 ...

Thank you to **Poudre High School (Official)** for having me out today! The high school has a robust dual and concurrent enrollment program and is an alternate site for Front Range Community College. Many of the programs feature hands-on learning and offers students industry-recognized credentials.

I would love to see more of this across the state so all students can graduate high school with an associate's degree or certification.

PHS student-leaders will take you on the same tour we provided Governor Polis when he visited in October 2019. Polis visited PHS to go behind the scenes of Poudre's innovative and amazing career and college readiness programs, which align with the State of Colorado's career pathways.
