

PHS Class Fees 2019-2020

PHS offers a variety of courses to inspire, challenge, and prepare students for their post-secondary lives. In order to create engaging lessons and provide relevant learning experiences for students, some courses use consumable materials that must be paid for through course fees. Please reference your class schedule to determine if your course has a required fee. These fees must be paid by the end of the first week of classes to remain in the class. If you qualify for the Free or Reduced Lunch program, please complete the "Permission to Share" form on ParentVue or at Poudre High School.
