

Secondary School Immunization Requirements 2008-09

First Time in a Colorado School

New Enrollees or Transfer from Out-of State

Grades 7th thru 12th

DTaP/DTP/Td	5 doses	(4 acceptable if 4 th dose given after 4 th b'day) (See d footnote on card if < 3 injections at enrollment) *No Pertussis required if > 7 yrs and < 10yrs old
* Tdap booster	1 dose	<u>only required for 7th, 10th & 11th graders</u>
Polio	4 doses	(3 acceptable if 3 rd dose given after 4 th b'day)
Hepatitis B	3 doses	(if 2 shot series given for 11-15 yr olds, must indicate 1cc/dose and given 4-6 mo apart)
MMR	2 doses	(1 st MMR dose must have been given when child ≥12mo)
*Varicella	1 dose	OR History of disease (provide date) <u>only required for 7th & 8th grade</u> (Not required for 9-12 th)

If parent wants an exemption for personal or religious beliefs, the parent must sign and date the back of the immunization card and note what shots they don't want their child to have.

A doctor must sign and date the back of the immunization card for a medical exemption.

Enrolled in Colorado School Prior to 7/2000

DTaP/DTP/Td	4 doses	
*Tdap	1 dose	(only required for all entering 7 th , 10 th & 11 th grade)
Polio	3 doses	
Hepatitis B	3 doses	(if 2 shot series given for 11-15 yr olds, must indicate 1cc/dose and given 4-6 mo apart)
MMR	2 doses	
*Varicella	1 dose	OR History of disease (provide date) (only required for all entering 7 th & 8 th grade)

There may be unusual cases where odd exceptions apply because of the footnotes on the bottom of an immunization card. If it is unclear whether the student is/isn't compliant, page your nurse:
